NOTHING TAKES THE PLACE OF THRIFT

For over a century the "mutual plan" of saving small amounts regularly has remained the most practical way for the average working man and woman to accumulate a reserve fund.

Since 1827, growing savings accounts here have helped thousands of families in this community to own their homes, educate their children and face the future with confidence. Today, as then, the steady practice of thrift can mean security and peace of mind for you.

IT'S EASIER THAN YOU THINK
TO OWN YOUR OWN HOME

Our home-financing plans make it possible for the average family to own their own home by paying for it from income as they pay their rent. When you tell us your requirements, we will work out an individual plan to suit you and your budget. With over 4,000 home loans on Springfield property, we are the largest home mortgage institution in Springfield. Our experience in home-financing and our knowledge of local real estate can be of valuable assistance to you. We will gladly give you full information and estimated figures without obligation or charge.

MONARCH LIFE INSURANCE COMPANY, Springfield, Massachusetts

MONARCH LIFE INSURANCE COMPANY

Home Office: 365 State Street

The Monarch Life Insurance Company, Incorporated in 1901, is one of America's pioneer companies writing Non-cancellable Health and Accident insurance. While its writings of Participating Life insurance commenced in recent years, the growth of its Life insurance in force has been rapid and in many respects has paralleled the course of the Health and Accident business.

Today Monarch's Non-cancellable Health and Accident and Participating Life policies rank among the leaders in their respective fields.
